Division of Nephrology

Cooper University Medical Center, Camden, NJ

Drexel University College of Medicine Faculty

Jasjot Garcha, M.D.

Instructor in Medicine

Lina Mackelaite, M.D.

Instructor in Medicine

Fazle Noor, M.D.

Instructor in Medicine

PURPOSE OF PROGRAM:

This program is designed to provide clinicians with the most recent information on therapeutic medications currently available in the prevention and diagnostics of complicated hypertension and comorbidities.

Discussions will highlight the current state of scientific knowledge and practical approaches to complicated hypertension management.

WHO SHOULD ATTEND:

The target audience for this seminar is cardiologists, general internists, family practitioners, all subspecialties, nephrologists, CRNPs, and PAs.

LEARNING OBJECTIVES:

- Discuss JNC 8 Guidelines
- Recognize the difference between hypertensive “emergencies” and “urgencies”.
- Discuss Advances of Renin-Angiotensin-Aldosterone mechanism in hypertension.
- Plan use of ambulatory blood pressure readings.
- Discuss complications of hypertension.
- Recognize variations in brachial blood pressure and other arterial pressures.
- Discuss arterial stiffness influence on blood pressure.
- Determine need to reduce blood pressure and proteinuria in kidney disease.

ACCREDITATION STATEMENT: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Drexel University College of Medicine and the American Society of Hypertension - Delaware Chapter. The Drexel University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **AMA:** The Drexel University College of Medicine designates this educational activity for a maximum of 4 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. **AOA:** This program is eligible for 4 credits in Category 2A of the American Osteopathic Association.

FULL DISCLOSURE STATEMENT: It is the policy of Drexel University College of Medicine to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience their financial relationships with the manufacturer(s) of any commercial products, goods or services related to the subject matter of the program topic. Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are **required** to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

PRE-REGISTRATION AND FEES: There is a \$30.00 registration fee for all portions of the medical seminar program. DUCOM-Drexel University College of Medicine faculty and alumni are complimentary. Please make checks payable to: **DUCOM/CME** and return with attached application form.

This program is funded by educational grants from:

**Merck
Novartis
Sanofi-Aventis
Pfizer, Inc.**

&

The Edna G. Kynett Memorial Foundation

Their support is gratefully acknowledged
